

Terumo Medical Products (Somerset, NJ – September 15, 2009) has launched extensive new content at its product website for its novel ELEMANO™ Blood Pressure Monitor. The site, www.elemano.com, provides detailed product information to help distributor reps effectively sell this device, highlighted by video content and technical papers demonstrating device accuracy and ease of use. To contact your Terumo territory manager, go to www.TerumoTMP.com and click the link “Find Your Rep”.
